

REMARKS/ARGUMENTS

The Final Office Action dated October 4, 2007 and the references cited therein have been carefully considered. In response to the Office Action, Applicant has amended Claims 1 and 11, canceled Claims 2-3 and added new Claims 30-32 which, when considered with the remarks set forth below, are deemed to place the case with Claims 1 and 4-32 in condition for allowance.

Claims 2-3, 6, 10, 13-14 and 16 have been deemed allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. In response, Applicant has added the limitations of allowable Claims 2 and 3 to both independent Claims 1 and 11. New Claims 30-32 are allowable Claims 13, 14 and 16, respectively, rewritten in independent form. Thus, all of the claims include allowable subject matter. Accordingly, it is believed that the application with Claims 1 and 4-32 is now in condition for allowance.

In view of the foregoing amendment and remarks, favorable consideration and allowance of the application with Claims 1 and 4-32 are respectfully solicited. If the Examiner believes that a telephone interview would assist in moving the application toward allowance, he is respectfully invited to contact the Applicant's attorney at the telephone number listed below.

Respectfully submitted,
